

# **For the Fifth Year in a Row, CNSI is Listed on the VARBusiness Magazine Top 500 List”**

Each year, VARBusiness magazine publishes its VARBusiness 500 list that ranks the information technology industry’s top integrators and solution providers. The rankings are based on the previous year’s revenues. For the fifth year in a row, CNSI has made the VARBusiness 500 list, earning a ranking of 220, an improvement over last year’s ranking of 263. Additionally, GovernmentVAR, a VARBusiness magazine supplement that focuses on government IT contractors, ranked CNSI 66th on its GovernmentVAR 100 list.
