

CNSI Honored by TSA/Unisys with the Partnership for Agility Award

ROCKVILLE, MD – CNSI, a fast growing, innovative provider of IT business solutions for government and commercial enterprises, today announced that it is the proud recipient of the “Partnership for Agility” award from the Transportation Security Administration (TSA) and Unisys Corporation for supporting the Information Technology Management Services (ITMS) contract. Serving 81 TSA designated airport locations as a subcontractor to Unisys, CNSI provides support services to TSA’s Federal Security Directors (FSDs) and provides 39 IT Coordinators for the program.

ROCKVILLE, MD – CNSI, a fast growing, innovative provider of IT business solutions for government and commercial enterprises, today announced that it is the proud recipient of the “Partnership for Agility” award from the Transportation Security Administration (TSA) and Unisys Corporation for supporting the Information Technology Management Services (ITMS) contract. Serving 81 TSA designated airport locations as a subcontractor to Unisys, CNSI provides support services to TSA’s Federal Security Directors (FSDs) and provides 39 IT Coordinators for the program. CNSI also provides staff to support the TSA Project Management Office (PMO), including approximately half of the airport IT specialists, SMC staff, deployment team, and systems engineers. CNSI has provided highly capable and experienced staff, as well as senior technical expertise, to TSA management. This award recognizes CNSI’s responsiveness to Team Unisys and TSA by providing high-caliber staff quickly for meeting the needs of the FSDs and their staff.

About CNSI

Founded in April 1994, CNSI is an employee owned, 8(a) certified company that offers IT business solutions to meet customer requirements worldwide. CNSI is committed to excellence, with total customer satisfaction the primary motivator for its day-to-day operations. With an employee base of more than 470 IT professionals, CNSI serves a diverse range of Federal and State government agencies, and commercial clients, and offers the technology and resource expertise to reduce costs and improve the productivity of client IT systems. CNSI's corporate mission is to be a premier provider of the highest quality networking and system solutions, and to address and support the technological business concerns of its customers.
