Gaithersburg, MD & Lanham, MD – (June 28, 2012) – CNSI, a leading business solutions provider, today announced it has been selected as a 2012 SmartCEO100 Best-Run Company, a program by SmartCEO magazine. This prestigious award honors 100 companies and their CEOs in the Greater Washington D.C. area for their consistent growth as leaders within their industries. The SmartCEO 100 Best-Run Companies are a community of the 100 most proactive, profitable companies in the region. "The Best-Run Companies have the vision, talent, customers and internal processes in place to serve as strong examples to others in their markets and industries, " says SmartCEO group publisher Jaime Nespor. "These companies have stood the test of time and have a proven track record of outperforming competitors.

Their brand has created a strong reputation in the community they serve and we are very proud to recognize them and wish them continued success." Chatterjee Bishwajeet, CNSI's CEO is among this exclusive group of 100 CEO's. With this honor Mr. Bishwajeet has the opportunity to connect, exchange ideas, and learn best practices with other like-minded individuals at three major events throughout the year, as well as tell his story to over 135, 000 CEOs throughout the Mid-Atlantic in the

SmartCEO 100 Book. "CNSI was founded upon the vision that our company could deliver high quality, innovative solutions that helped our clients accomplish their missions and improve business performance" said Mr. Bishwajeet.

"Today we've established ourselves as a trusted IT partner for affecting technological and business process transformation for our clients. Being selected as one of the 100 Best-Run companies in the Greater Washington D.C. area not only validates our hard work but also solidifies our position as a leader in business transformation. We are honored to be ranked with many other top leaders and successful companies in the Greater Washington area" stated Mr. Bishwajeet.
