Gaithersburg, MD – June 3, 2014 – CNSI, one of the world's leading business solutions providers with vast experience in developing and delivering innovative technology solutions, today announced it has been named to the 2014 Solution Provider 500 (SP500) list by The Channel Company's CRN. The list ranks the top revenue-generating technology integrators in the U.S. and Canada whose forward-thinking approach to the channel has helped them evolve and thrive in today's cloud and services-driven IT era. The list spans eight categories from hardware and software sales, to managed IT services. CNSI placed 111 in the annual ranking. Revenue size is determined by the amount of annual products and services sold over the course of 2013.

Companies with no public documentation were required to submit a notarized affidavit attesting to their 2013 revenue. "We are honored to have again ranked by CRN as a top solutions provider for the 4th time in five years, " said Adnan Ahmed, president of CNSI. "We owe this recognition to our employees who work tirelessly to provide our customers with innovative business and technology solutions." "The annual Solution Provider 500 represents those companies that truly understand the needs of customers today as the IT landscape evolves, " said Robert Faletra, CEO, The Channel Company. "With so many options, this list has become an invaluable resource for

vendors working hard to navigate the solution provider community and identify the best partner for their business. We congratulate the featured solution providers and look forward to covering their continued success."A sampling of the 2014 SP500 list is featured in the June issue of CRN Magazine and is featured online at www.crn.com and in the CRN Tech News app, available for iPad and Windows 8.
